Dear Arts & Crafts Vendor,

The Brenham Maifest, a "German Tradition", is celebrated every year the Friday and Saturday of Mother's Day week-end. Events include Arts & Crafts Show, German Music, German Village, Kinder Village, Parades, Jr. & Sr. Coronations and Food & Refreshment. The Maifest originated from the German Volkfest held from 1874 to 1880. We will be working with the Washington County Chamber of Commerce to promote the Maifest throughout the state.

As festival coordinator I am the contact person for the Arts & Crafts. At anytime should you have any suggestions please feel free to call me. I will be available to listen to your concerns to help make things better for all of us. The Brenham Maifest Association is in the process of bringing **GERMAN** back into the Maifest, to keep our local heritage and tradition for years to come. Three years ago we started the "German Village" and it was a huge success. Two years ago we added the "Kinder Village". Again we have an excellent entertainment line up consisting of music, singing and dancing.

On behalf of the Brenham Maifest Association, I would like to invite you to participate as an arts & crafts vendor. **Please note: All items MUST BE handcrafted or German related items (clothing, gift items etc.).** No commercial items, please! Enclosed are the "Rules & Regulations" for arts and craft vendors. All booths will be pre-assigned.

Also enclosed is the Arts & Crafts exhibit contract. The contract outlines information pertaining to the booth space rental. Please submit a booth photograph and give a brief booth description. Booth spaces will be pre - assigned. Every effort will be made to keep like items separated from each other (if at all possible).

Please complete the enclosed contract and return to the address listed below along with your booth fee. The contract will then be signed and returned to you along with your assigned booth number.

We look forward to having you as part of our 120th MAIFESTIVAL. We do appreciate your input, and your patience in trying to re-establish our event.
